

LIONHEART
GLOBAL

COURSES

INTRODUCTION

Lionheart Global Academy was founded 2012 as a security and trainings company which operates worldwide to train security personnel.

All instructors and trainers having many years of experience in training and instructing around the globe. Some work in countries like Iraq, Afghanistan, Somalia and other high-risk areas. Some of our instructors are being trained by the British SAS ,the US Marine Corps or the U.S. Navy as Navy Seals or the Austrian Jagdkommando as well the KSK. Our instructors have worked and gained their experience working for the NSA, the CIA, Department of Homeland Security or the GSG 9. They bring the know-how and experience to train security personnel to the highest standards in this industry.

Lionheart Globa Academy is the only civilian company which is approved buy the US government/War College to train and to teach the Anti-Terrorism program from the US to train security personnel and certify them as Antiterrorism experts.
